

Dear Customer,

I am writing to inform you that, regrettably, due to the impact of the Coronavirus outbreak we have had no choice but to temporarily close all our office and warehouse operations until further notice. The closure will take effect from close of business, today, 31st March 2020.

The company has done everything possible to prevent this situation. However, the health and safety of our staff, customers and suppliers remains paramount and is the main reason for this decision.

We understand that this is an extremely difficult time for you, and we can assure you that we are doing all we can to minimise the impact of this temporary closure.

We will of course keep you updated throughout the closure period.

As always, thank you for your loyalty and support and we wish you and your families, friends and colleagues well at this most difficult of times.
